宁波新世界将重塑宁波城市，成为综合体项目的典范。人们在这里居住、工作和娱乐。

这是一个占地25万平方米，集住宅、商业和办公、公共区域于一体的综合性项目。普利斯设计集团从项目初始阶段即介入，与一支跨学科的团队一起打造这个无论在规模上还是理念上都是城市重塑的项目。规划和景观设计遵循了最高标准的环境保护政策。设计的重点是高品质的外部绿色空间，并与城市既有的绿色廊道和河流相连接，为宁波城市以及当地市民带来一份悠久的景观瑰宝。

The city shaping project will be a stunning example of a mixed use destination where people live, work and play.

This project of approximately 250,000 square metres is a mix of Residential, Commercial and Public Parks. Place Design Group have been involved from the outset, combining with the multi-disciplinary team to create a project that is city shaping in scale and ideals. Complying with the highest standards of environmentally sensitive design and a focus on creating high quality external spaces and connected green linkages with the city's established green corridors and rivers, the project will leave a lasting legacy for residents and public users alike well into the future.
