注重细节、解决复杂、相互冲突的场地需求，带来优异的景观设计效果。

努沙保护区位于15公顷的野生动物保护公园内，36个独立的度假区围绕4个淡水泻湖而建。普利斯设计集团为高品质的建筑设计锦上添花，通过卓越的景观设计、环境管理和水敏感城市设计体现对项目生态环境的关注。我们的团队将泻湖区域、中央设施、泳池、庭院和度假区、公共场地及周边环境区域无缝整合。

High attention to detail and an ability to resolve complex and conflicting site demands, enabled delivery of an exceptional landscape.

Noosa Sanctuary sits within a 15-hectare wildlife conservation park with 36 separate resort buildings set around four freshwater lagoons. Place Design Group was engaged to compliment the high quality architectural design and environmental focus of the site through best practice landscape design, environmental management and water sensitive urban design.
