梯状的层叠平台为高山形态的延续,悦望名邸将临近的群山和自然环境与现代风格的居住标准相结合,打造了一个独特的生态友好住区。

场地入口是一个较低的长条形结构,引向一个向天空打开的围合庭院。内部空间被刻意设计为空旷的风格,其中有一面垂直高墙,呼应背后的山峦景致,并以挂瀑映射天空。

进入建筑后向外观看,景观透过围合的玻璃幕墙呈现出另一番景致。前院中统一色调的地被结合砾石和乌桕树种植,营造了精致、静谧的画面感。

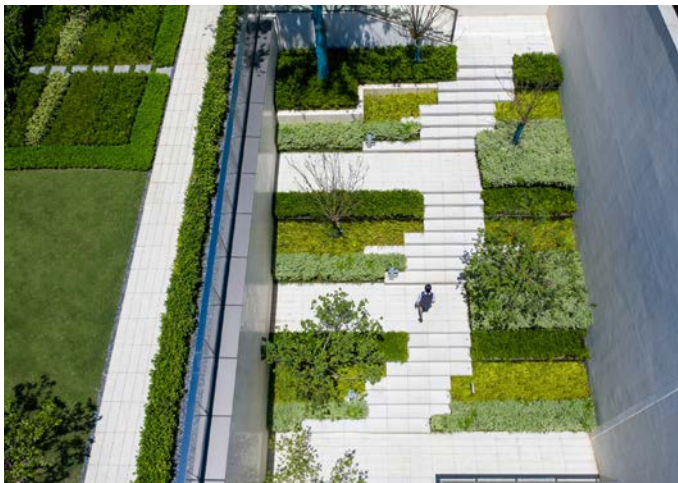

到样板房区域,一段景观楼梯将访客带到样板房和屋顶平台。底层单元有独立庭院,将居住空间延伸到了外部景观中。屋顶平台构成了部分公共休闲空间,可作为“室外客厅”供住户使用。

Designed as a series of cascading terraces and levels that extend the mountain style, The Change integrates the surrounding mountains and natural environment with modern style apartment living standards to create a unique, ecofriendly residential address.

Entry to the site is through a long, low portal structure that leads to an enclosed courtyard that is open to the sky. This internal space is deliberately sparse in style with high vertical walls that mirror the feeling of the mountains behind and reflect the sky in the central water.

After entering the building, the landscape is again enclosed and framed by courtyard walls. Externally a single colourful groundcover combines with gravel and feature trees to create an image of refined elegance and calm.

From the main display house, a series of landscaped stairs take visitors to the display units and terraces above. The ground floor units have individual private courtyard spaces that expand the living space into the landscape. The larger terrace form part of the public recreation spaces and act as a series of "living rooms" for residents to use and enjoy.
