China Jinmao

示范区公园体现了该项目所表达的生活方式及项目品质。

环形雕塑作为公共草坪中的点睛之笔，环形藤架让人们穿梭其中。这些特色元素创造了故事的画面感，也如同一条时光隧道，使人们能展望未来，并思考此地历史和文化。公园中大型的游戏场地和怡静的私密空间更能满足各类人群的需要。

A holistic display area designed to showcase the lifestyle opportunities and quality of the future development.

Within the parkland a circular motif has been used in the lawn sculptures and arbors that you travel through. These elements create a story and are a "lens" to allow users to look positively to the future and reflect on the culture and history of the area. The combination of large active play areas and quiet intimate spaces has resulted in the park fulfilling all its potential.
